ABOUT ME

With extensive experience in facilitating projects in the USA, I specialize in providing end-to-end production support, meticulously handling every aspect of the process to ensure seamless execution and outstanding results.

SERVICE OFFERINGS:

1. Fixer/Producer/Location Scout: Comprehensive assistance in planning, organizing, and executing production schedules, including securing permits and clearances, arranging transportation, and overseeing logistics.

2. Crew Coordination: Efficient management of crew members, ensuring smooth collaboration and effective communication throughout the production process.

3. Accommodations Arrangement: Procurement of suitable lodging options for crew members and talent, tailored to budget and location preferences.

4. Permit Procurement: Facilitation of necessary permits and licenses for filming in various locations, ensuring legal compliance and smooth operation of the production.

SERVICES & RATES

Shooting Day	\$700
Preproduction Fee	\$3,000

ADDITIONAL COSTS

- Travel: Transportation logistics including vans, rental vehicles (cars, boats, etc.)
- Meals: Catering services tailored to dietary requirements and preferences.
- Permits: Procurement of filming permits and clearances from relevant authorities.
- Incidentals: Gas, toll roads, and any other incidental expenses incurred during production.
